

What: 2018 Kansas 4-H SpaceTech robotics Experience

Date: November 16, 4 p.m. check-in through November 17, 4 p.m. closing

Where: Kansas Cosmosphere, 1100 North Plum, Hutchinson, KS 67501;
www.cosmo.org

Who: Youth between 9-18-years-old, and adult participants

Cost: \$115.00 regular registration due by November 4, 2018

Bring: Yourself, sleeping bag, pillow, air mattress, towels, personal care items, etc. As you pack, please remember the Kansas 4-H Dress Code. The registration fee includes three meals, two snacks, housing, workshop materials and an overnight stay.

Registration: The CVent registration system will be used, visit: <http://www.kansas4-h.org/events/index.html>. Registration will close Sunday, November 4, 11:59 p.m. There will be a minimum number required or the Alien Experience will be cancelled. Attendance will be capped at 60 on a first-come, first-serve basis to ensure that the program remains fun and hands-on for everyone. For full details about the Robotics Experience, visit: <http://www.kansas4-h.org/events-activities/volunteer-trainings/spacetech/>.

Description and Other Details: The Kansas 4-H SpaceTech Program and the Kansas Cosmosphere located in Hutchinson are again teaming up to provide fun, hands-on and science-based programming for Kansas 4-H Youth Development. This fourth program will feature “Robotics.” The experience begins Friday, November 16, at 4 p.m., and will end on Saturday, November 17, 4 p.m. Cost will be \$115 for each youth between 9-18 years old, and \$115 for each adult participant, including chaperones, parents, grandparents, and Extension staff. Every person present/attending must pay the \$115 registration fee.

All youth must have a designated chaperone to attend. Parents, grandparents, other relatives, and guardians may chaperone their own children/relatives. They may not chaperone other non-family members. Registered KSRE 4-H Leaders or KSRE staff may also chaperone 4-H members. Adult chaperones will be responsible for their children overnight.

This Cosmosphere collaboration is designed to be an adult-child experience, where 4-H members and adults can interact and learn from these fun and educational experiences. The program will include overnight indoor camping at the Cosmosphere located in Hutchinson, KS, (bring your own sleeping bag, air mattress, pillow, towel and toiletry items). The experience is open to 4-H members, parents, grandparents, volunteer 4-H leaders, and KSRE staff.

For more information, contact Deryl Waldren, dwaldren@ksu.edu, or call 785-462-6281.
