Participant Guide

Ready to Walk!

What is one of the best things you can do for your body, mind and spirit? You guessed it – walk every day!! K-State Research and Extension (KSRE) is so pleased to offer this health initiative designed to help you move more, eat better and live life to the fullest. Regular exercise, like walking, can help you live longer, maintain a healthy weight, reduce your risk of developing some cancers, reduce your risk of heart disease and stroke, reduce diabetes risk, boost your brain power, improve your mood and relieve stress. Wow – there isn't a pill that can offer all of those benefits!!

Walk Kansas is a team-based program, meaning that you are part of a 6-member team and together you will select a goal (challenge) to work toward during the 8 weeks. Here are the options for your team.

Challenge 1: Discover the *8 Wonders of Kansas*! This journey requires each person to get 2 ½ hrs of moderate activity per week.

Challenge 2: Go *Cross Country* from Troy (NE) to Elkhart (SW), which requires 4 hrs of activity per person/week.

Challenge 3: *Little Balkans to Nicodemus* – a trail that takes you through SE Kansas and then up to Nicodemus with interesting stops along the way. This requires 6 hrs of activity per person/week.

Each person logs minutes of moderate/vigorous activity and these are converted to Walk Kansas miles (15 minute = 1 mile) on the website. For a complete description of activities that count for Walk Kansas and how to report minutes, check your [Activity Guide](#).

Take the first step – register for Walk Kansas!

To register online at www.walkkansasonline.org:

If you already have a team, wait for your captain to register the team online. You will receive a message by email asking you to complete registration and give your consent to participate. Your captain will be responsible for paying fees for the entire team, so make sure you reimburse your captain for your registration fee (and t-shirt, if appropriate).

If you don't have a team, and would like to join one, go online and register as an individual. The Extension office will connect you with a team that has similar goals.

Register with paper forms:

Complete the registration form provided by your captain. Return it, along with payment for the program fee and t-shirt (optional) to your captain. You can log minutes of activity and fruit/vegetable consumption on a paper or electronic log, or you can log online at www.walkkansasonline.org.

Healthy Eating is Important

Here is a sobering statistic – according to the Centers for Disease Control and Prevention (CDC), only 10% of Kansans eat enough fruits and vegetables. While recommendations vary based on age and gender, most adults need 1½-2 cups of fruit and 2-3 cups of vegetables each day. We ask you to log the cups of fruits/vegetables you eat daily as a way to help you increase that amount and we know that fruit/vegetable consumption in Kansas increases during this program! Our goal is to help you make this a lifestyle habit. Check your newsletter each week for tips on increasing your fruits and veggies plus other healthy eating strategies – including a tasty recipe!

Report/Log online:

Once your team is “ready” (everyone has added user information, consented and all fees are paid) you will see a screen like this when you log in. This is your “Dashboard” and you can log here and you will find links to other features of the online system. **Along the top of the horizontal purple bar:** Click on “Events” to see what is happening in your community; “Resources” is where you will find program newsletters and other resources to support healthy lifestyle habits; “Shop” is where you can purchase additional apparel items, including t-shirts. *Please note that the shop will only be open the first two weeks of Walk Kansas.*

Also on the purple bar -- This is where you see your welcome message, your team name and the group where you are participating. Once you start logging minutes, click on the “See Your Map” icon and you will see a map of Kansas with your challenge trail displayed. This is where you will unlock points of interest along the trail and learn more about our great state. Click “Team Chat” to communicate with team members. “My Team” shows all of your teammates and “Log History” shows what you have logged for activity, fruit/vegetable consumption, etc.

To log your progress: In the **purple box**, log your minutes of activity – the system will calculate into miles. (Read the [Activity Guide](#) to know what counts); the **red box** displays the total miles your team has walked and this also takes you to the “team chat” page; if you do strengthening exercises that day, click “log” in the **yellow box**; the **blue box** is where you can log the number of 8 oz. glasses of water you drink – this is optional; and record cups of fruits/vegetables in the **green box**.

The screenshot shows the Walk Kansas landing page. At the top, there's a purple header bar with navigation links: Dashboard, Events, Resources, Shop, and New Program Sign Up. To the right of these are links for Find Local Office, Log out, My Account, and social media icons for Facebook, Twitter, and Pinterest. Below the header, a purple sidebar on the left displays a welcome message: "Welcome, Willie" (TEAM: Willie's Walkers, COUNTY/GROUP: Kansas County). To the right of the sidebar are four icons with corresponding links: See Your Map (location pin), Team Chat (chat bubble), My Team (person walking), and Log History (clock). The main content area features a section titled "Your Challenge(s):" with a dropdown menu showing "8 Wonders". Below this is a purple banner stating "You have unlocked 1 of 29 points of interest!". There are five colored boxes representing different activity categories: Miles Walked (purple), Team Miles Walked (red), Days Logged (yellow), Glasses Logged (blue), and Cups Logged (green). Each box contains an icon, a counter (all set to 0), and a "LOG" button. The bottom of the screen shows a standard Windows taskbar with various application icons and the date/time (1:41 PM, 2/9/2018).

If you scroll down the page, you will see a white “Leaderboard” box. This is where other teams from your community, that chose the same challenge as your team, will appear along with their progress. At the bottom of the page you will see recent posts on the Facebook group Kansas State University Walk Kansas. Please *like* our page on Facebook!

The screenshot shows a web browser window for the "Walk Kansas Landing Page" at www.walkkansasonline.org. The main content area features a large image of a wheat field. On the left, there's a "Leaderboard" section with columns for "TEAM" and "MILES". On the right, there's a "Fitness Guidelines" section with three numbered points:

- 1) Get a minimum of 150 minutes/week of moderate aerobic activity (working at a level where you can barely carry on a conversation), performed in episodes of at least 10 minutes.
- 2) Do muscle strengthening activities that involve all major muscle groups on 2 or more days per week.
- 3) For more health benefits, increase minutes of aerobic activity to 5 hours/week OR work at a vigorous intensity level for 150 minutes/week (can still talk but not carry on a conversation).

Below the guidelines is a "Learn More >" link. The bottom of the page has a news feed with items like "Classic Margherita Pizza with Whole-Wheat Pizza Crust", "National Wear Red Day is Friday, February 21!", and "Must-Try Instant Pot Recipes That Are Surprisingly Healthy". The status bar at the bottom shows the date as 2/9/2018 and the time as 2:19 PM.

You can see how all teams, in all 3 challenges, in your community and across Kansas are doing by going to the “Leaderboard” located on the login page, www.walkkansasonline.org. Click on the **blue box** at the bottom of this screen.

The screenshot shows the "Walk Kansas Welcome! Please log in" page at www.walkkansasonline.org/login. The background is a scenic view of rolling green hills. A central login form is displayed with fields for "Username" and "Password", a "Log In" button, and links for "Forgot Your Username/ Password?" and "Remember me". Below the form is a "Register" button and a link for "Don't Have an Account? Sign Up Now!". At the bottom of the page, summary statistics are shown: "13 Teams", "51 Walkers", and "252 Total Miles Walked". The status bar at the bottom shows the date as 2/9/2018 and the time as 2:22 PM.
