2021 GRAND MARSHAL

Nancy Horn

Nancy was born and raised in Garnett, the daughter of Howard and Lucille Lacy. When Nancy was a young girl growing up, she spent many nights at the Anderson County Fair. She even accompanied Carol Fooshee Hicks on the piano as she sang “I’m Just a Girl Who Can’t Say No” in the Fair Talent Show!!

Nancy graduated from Garnett High School in 1962. Nancy attended Baker University and graduated from Emporia State University in 1966 with a Bachelor of Science in Education, and in 1981 with a Masters of Curriculum and Instruction. Nancy has been married to Rick Horn for 54 years. They are the parent to two great sons, Bill of Lyndon and Matt and wife Chrissy of Paola. Nancy is a very proud grandma to four grandchildren, Brilee Rodman and her husband Matt, and Gunner Horn and his wife Emily, all who live in Osage City, and Wesley and Ethan Horn who live in Paola; and a 6 month old great granddaughter, Paisley Grace Horn, who lives in Osage City.

Nancy taught school for 29.5 years in Ottawa, Central Heights, and USD #365 schools, retiring after many great years from Greeley Grade School teaching grades 4-6 and 7-8 in 1999 with lots of fond memories. She is especially fond of her years at Greeley Grade. During that time, she was a member of North Anderson County Teachers Association and Kansas National Education Association. After teaching, Nancy went to work as a reporter for Lynn Bandyk and Richard Holderman at the Anderson County Advocate in 1999 and later for Vern Brown and Barbara Thompson at The Advocate, retiring in late 2009. She immensely enjoyed working with Lynn, Vern and Barbara and learned a lot along the way. One of Nancy’s favorite assignments was taking pictures and writing articles featuring 4-Hers for The Advocate Fair Edition Special as they showed their animals at the livestock shows and entered projects in the numerous divisions, as well as the fair parade. She worked LONG hours during the week of the fair to cover as many exhibits and shows as she could. She was relentless in getting names and placings covered correctly. All of the 4-H’ers greatly appreciated her dedication in showcasing their projects, as well as her friendly smile and words of encouragement. She was always a friendly face in the crowd and always took time out of her job to visit with the 4-H kids and admire their hard work. She is a true fan of Anderson County 4-H!

Nancy has served 8 years on the Garnett Public Library Board of Directors and is a member of the Friends of the Library.

Nancy is also very active in the Anderson County Hospital Auxiliary where she served as president-elect and then president until this last year when took the state level board office as Second District Coordinator for the Hospital Auxiliaries of Kansas. She enjoys traveling to the 11 auxiliary units in the Second District and getting to know many of the wonderful auxiliaries who serve their hospitals, staff and patients as volunteers, most importantly the 50 members of the Anderson County Hospital Auxiliary.

Nancy was appointed to the Anderson County Extension Council in 2013 and stayed a board member as it changed over to the Frontier District in 2014. Nancy served six years, retiring at the end of 2019. She gained a great deal of knowledge about the inner workings and programs connected with 4-H and Extension, as well as offered countless advice on all Extension programs.

Nancy is a firm believer in the goals of 4-H and Extension. She continues to support the young people who work so hard on their chosen projects and are so dedicated to do their very best to be successful and exhibit the positive goals and objectives of 4-H, enriching their own lives and those around them for the rest of their lives.

2021 ANDERSON COUNTY 4-H SCHOLARSHIP

Hailey Gillespie is the daughter of Jeff and Karen Gillespie. She has been a member of the Seekers Not Slackers 4-H Club for 12 years, a 4-H Key Award recipient, as well as a State of Kansas Sheep KAP Award winner. Hailey has served her club as the President, Secretary, Treasurer, Reporter, Parliamentarian, 4-H Council Representative, and Anderson County Fair Board Representative. She has also served Anderson County 4-H Council as Secretary for two years and is currently serving as the Vice President. In the fall, Hailey plans to attend Fort Scott Community College and major in Agriculture with a minor in Agribusiness and she plans to participate in livestock judging at the collegiate level over the next two years at which time she will transfer to Kansas State University.

Hailey has been actively involved with 4-H, FFA, and Skills USA over the years. Hailey participates in many community service activities in her community and serves in multiple leadership roles. Hailey finished this past school year serving as Anderson County FFA President, East Central District FFA president, and Skills USA Secretary. Through her leadership roles and experience she has learned commitment, confidence, passion, perseverance, and persuasiveness. Hailey is extremely thankful for her 4-H leadership and citizenship experiences and feels they attributed to her high school successes.

In 4-H, Hailey has been in the Leadership, Citizenship, Sheep, Meat Goat, Market Hog, Horse, Foods and Nutrition, Clothing Buymanship, Clothing Construction, Fiber Arts, Home Environment, and Photography projects. The sheep project has always been her favorite. Hailey assists her family with their 36 head of breeding ewes on their small farm. Hailey remembers initially being shy and timid around sheep, however, now she enjoys showing her lambs at the local, regional, state, and national level. Hailey raises show lambs and enjoys helping younger 4-Hers get involved with the sheep project.

Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

NOTEBOOK CLASSES

General Guidelines
1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. Identification should follow the taxonomy included in www.bugguide.net.
3. 4-H’ers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory Phase.
4. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor’s name, county or district and class. The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Title Page.
5. Specimen pages should be grouped according to order and should include one page per species.
6. Date, common name, full county name, state abbreviation and collector name should be included for each species.
7. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
8. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the order and also on the front of the divider page.
9. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly recommended.
10. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
11. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did.

5. Potted plants must be owned by the exhibitor for 90 days before the county fair.
6. Pots cannot be over 18” in diameter.
7. Flowers in arrangements may be obtained elsewhere but must be arranged by the exhibitor.
8. Horticulture specimens must be entered in bottles except Collections. Please attach card giving variety of specimens, if known.

Champion each class

The Bucket Calf project is intended to allow younger 4-Hers to participate in the Beef/ Dairy cattle projects in a safer manner with a smaller and/or more manageable animal. Main objective of this particular project and associated fair classes is to place the major competitive emphasis on the educational aspect and learning experience and de-emphasize the aspect of exhibiting.

1. First Year Bucket Calf - Calf must be born after January 1 and before May 1 of the current year and must be tagged at the Anderson County beef weigh-in or the small animal weigh-in. The first year bucket calf is not eligible to sell in the premium livestock auction. Exhibitors can only show 1 first year bucket calf each year.
2. Second Year Bucket Calf - The same exhibitor must have shown calf the previous year as a 4-H Bucket Calf. The calf must be identified and weighed at the Anderson County Spring Beef weigh-in. Steers will be able to sell in the Premium Livestock Sale if they meet the weight of 1000 lbs. and heifers will be able to sell in the Premium Livestock Sale if they meet the weight of 900 lbs.
3. 4-H members enrolled in the Bucket Calf project may show both a first and second year bucket calf in the same year. Steers and Heifers shown in the second year bucket calf class may also be shown in the “Anderson County Born” market beef class, and other market beef classes. For example a 2nd year Charolais Market Heifer bucket calf can be shown in the Market Heifer class under the Charolais breed or a 2nd year Angus bucket calf can be shown in the Market Steer class under the Angus breed.
4. Steers and Heifers entered in the Bucket Calf section will show together in their respective divisions.
5. Exhibitor must be 7-12 years old to show in either division of the Bucket Calf Section. Minimum requirement for consideration of any bucket calf division award is that a live, properly tagged, IED and entered bucket calf must be exhibited. In the case of calf death and inability to exhibit a live...
