Updates & Cancellations

The COVID-19 situation has continued to evolve on a daily basis. Since the distribution of the April 2020 issue of the KSU YLP Update Newsletter, policies and directives have changed across campus, impacting some of our upcoming events and activities. Please continue to watch your email and follow us on our social media platforms for future changes.

Livestock & Horse Judging Camps CANCELLED

Our students, future students and friends of the department are and continue to be our top priority. As the COVID-19 pandemic continues to work its way across our nation, we are monitoring developments. We have made the decision to cancel all KSU ASI sponsored judging camps this summer. This decision was not made lightly, but the safety and health of the youth we serve is our highest priority.

For those who have already pre-registered, checks will be returned in a timely fashion. Should you have any direct questions regarding your registration, you can contact Christina Carlson at cmcarlso@ksu.edu. We look forward to having you on campus next year for the Champions Livestock Judging, Beginning and Advanced Horse Judging Camps. Stay safe and stay healthy!

KASLA CANCELLED

The K-State Animal Sciences Leadership Academy scheduled for June 24-27, 2020, has been cancelled due to continuing concerns with the COVID-19 pandemic. The safety and health of the participants and staff were our highest priority in making this decision. Applicants are encouraged to re-apply for the academy in 2021. For more information, please contact academy director Sharon Breiner at sbreiner@ksu.edu.

4-H Discovery Days REVAMPED

KSU ASI planned to have multiple workshops as part of the 4-H Discovery Days. However, the event has been cancelled and instructors will work with 4-H staff to attempt to offer classes in an alternative format.

YQCA Instructor-led Classes CANCELLED

K-State Research & Extension has extended the ban on face-to-face events, activities, and meetings through July 4, 2020. Therefore, youth participating in an instructor-led class prior to submitting their state livestock nominations is no longer a viable option. Youth will need to complete the online course. The YQCA requirement will continue for all Kansas State Fair Grand Drive and KJLS exhibitors. Contact your local extension office for more details.
