The Care to Share form is designed to help recognize individuals, committees, etc. Completed forms should be sent to the Extension Office. The Office will then send a congratulatory card to the appropriate person(s). Forms are accepted year round.

**4-H Camp at Rock Springs**
Summer 4-H Camp registration is now available! This includes half week, full week, Leaders in Training (LIT), and Counselors in Training (CIT) sessions. As it was last year, sign up for any session that works for your schedule. Youth are encouraged to attend Session 2, June 7-10! Camp is open to all youth (4-H and non-4-H) who are rising 3rd-12th graders. Encourage your non 4-H friends to attend and show them what fun 4-H can be! Contact the Extension Office or Rock Springs Ranch with your questions!

**Club Boxes**
Each 4-H club is asked to designate one or two people to come in and pick up the information from the club box in the Extension Office. Plan to check the box on a regular basis.

**PRRFs For Everyone!**
This is so exciting! Because the generic records and the Project Record Report Form (PRRF) are so closely related in terms of what information is used, the generic records will no longer be used. All Frontier District 4-H members will use the PRRF at the end of the year next year which means all books will be eligible for county awards! Watch for trainings!

**Walk Kansas**
Walk Kansas is a team-based program that helps participants lead a healthier life, be more active with friends and family, make better nutrition choices and walk away stress. Walk Kansas dates are March 26 - May 20, 2023. Information coming soon to the above link.

**ZBook Training Videos**
Have you watched the new ZBook Training Videos yet? Jo, the 4-H Program Manager in the Osage Office, has made two videos that go into great detail on how to use ZBooks. It is very user friendly. One video shows how to set up a family profile on ZBooks, CLICK HERE, and the other is how to create records, CLICK HERE. All families are encouraged to look into ZBooks now and start experimenting with it. If you have any questions, please let your appropriate office know! A couple of zooms are planned after the first of the year to help answer questions but are encouraged to start now with ZBooks!

**4-H Program Manager Position**
The position in the Garnett Office as the 4-H Program Managers is still available! Don’t hesitate to contact the Office for more information! Spread the Word!

**National Volunteer Week**
It’s a week dedicated to you, National Volunteer Week is April 16th through the 22nd. There are several things to do “To Make The Best Better” by checking what the website has to offer!

**GENERAL NEWS**

**Do I Really Need to Read the Newsletter?**
The short answer is YES! ALL Frontier District 4-H families should read the newsletter! It is used to communicate important information! The article titles indicate the content and the red font is a link that will take the reader to the information. Previous newsletters are available, too.

**Electronic Treasurer’s Book Available**
An electronic version of the Treasurer’s Book is available for any club or group to use.

**Helpful Resources**
It’s called “4-H at Home”, but anyone can use this wonderful resource! It is full of project ideas to explore, learn, practice or experience. The content is appropriate for beginning, intermediate and advanced project members. Also included are resources and events that might be available, including curriculum, record-keeping and project exhibit ideas.

**Mass Emails Not Received or Going to Junk/Spam**
The new 4-H year is here. The 4-H Agent and Program Managers will communicate important information and reminders with families via 4HOnline in mass emails. Frontier District families who are not receiving mass emails or they are showing up in the junk or spam folder are requested to follow these steps. 1). Ensure the email address is correct in both the family’s profile and member’s profile in the 4HOnline System. 2). Ensure the family has “unsubscribed” to 4-HOnline emails. If so, each member must re-subscribed to receive “Broadcasts” (emails) again. 3). “Whitelist” the address from which the broadcasts originate: no-reply@4honline.com. Whitelisting means taking manual steps to ensure that an email from a particular recipient is not blocked or does not go to the junk/spam folder. Simply Google “how to whitelist an email address,” and follow the instructions for the family’s specific email client (Outlook, Gmail, Yahoo, etc.).

**4-H Policy**
Frontier District 4-H families are encouraged to review the State 4-H Policy. Updates include the addition of K-State’s updated child protection policy. The current KSRE and 4-H practices cover the new requirements, and are now included as a reference in the policy. Direct all questions the Office.

**Raffle Policy and Guidelines**
It is the time of year when clubs begin discussing fundraising options. Nonprofit and education entities may conduct raffles. However, a raffle policy and guidelines must be followed. Any Extension unit-affiliated group (e.g. 4-H club, 4-H project group, etc.) wanting to conduct a raffle must first fill out and submit an application. The Extension District Board meets monthly (beginning of the month) and all applications must be approved by them prior to conducting the raffle. A financial report must then be presented to the Board upon completion of the raffle. Completed applications for Board approval may be sent to any Frontier District Office.
Add/Drop Project Deadline
The Extension Office will need to be contacted to have information changed. Any adding or dropping of projects must be done by May 1st in order for the member to enter in the 4-H division of the Fair. Members will not be able to change project information after the deadline. Direct all questions to the Extension Office.

Setting Project Goals
After choosing projects, it is important to plan what can be learned and accomplished. What new skills can be gained? Who is going to help along the way? Setting measurable goals will help guide youth through positive 4-H project learning experiences. This resource can help members get started!

District Wide Projects and Leaders Available
The new 4-H year is here! A list of District-wide projects and leaders is available to Frontier District 4-H members. Leader contact information is available in the Extension Office. Meeting and project information will be posted in the newsletter and/or emailed to those enrolled in the project.

The 2023 Osage City will be July 19th-22nd.
The 2023 Overbrook Fair will be August 2nd-5th.

4-H Council and Club Leader Meetings
The 4-H Council meeting will be Monday, February 27th. Council members should plan to attend as each club must be represented at every meeting in order for the club to be on track to receive a purple seal at year's end.

At this time, club leader meetings will be held before every other Council meeting in December, April, and August.

4-H Council and Club Fundraiser
Osage County 4-H is selling Blue and Gold Meats (bacon, sausage and chicken strips) as a fundraiser. This is a great fundraiser and families have become familiar with the products. Proceeds will be divided between 4-H Council and the 4-H Clubs. Orders are due to the Lyndon Office by February 27th. Delivery is expected in mid-March.

Livestock Weigh-In
Beef: March 29th; 4-6 p.m. at Overbrook Fairgrounds. This will include all cattle (breeding, market, and bucket calf). Bucket calves may be tagged at either tagging date. We highly encourage you to have your cattle halter broke before weigh-in.

Small Animal: May 2, 2023; 4-6 p.m. at Osage City Fairgrounds. Small animal includes bucket calf, and market and breeding in swine, sheep, and goat. Youth enrolled in Breeding Beef, Dairy, Market and Breeding Meat Goat, Sheep and Swine must own and have possession of animals by May 15th.

The ownership deadline for all Rabbits and Fowl is June 15th.

Dairy: New for the 2023 Fair Season
Dairy cows and dairy goats will no longer need to be tagged to show at the county fairs in Osage County. Each dairy goat will still need to have a scrapie tag. As in the past, all market and breeding animals (beef, goats, swine, sheep) will still need to be tagged. Please contact the Extension Office if there are any questions.

Osage Shooting Sports
Osage County Shooting Sports program has a volunteer that will be retiring at the end of this year, and that leaves a position open for an adult instructor. Adult instructors openings are available for: Pistol, Archery and Shotgun. It is a wonderful and rewarding experience to help local youth learn about shooting sports. Anyone interested in becoming a certified instructor or for more information, please contact Marcie at mqrq1228@embarqmail.com or call 785-654-3981. Make sure your 4-H member is ENROLLED in shooting sports and in each desire discipline BEFORE the first practice. Participants must be 8, 4-H age, to enroll in Shooting Sports and MUST attend the safety meeting. The current schedule for the year is as follows:

WHEN: Archery at 2:00 p.m.
Shotgun at 3:30 p.m.
April 2nd, 16th, and 23rd.
WHERE: 15303 S Osage Rd, Burlingame

Kansas Farm Bureau Safety Poster Contest
It’s time to kick off the 2023 Kansas Farm Bureau Safety Poster Contest to help youth visualize ways to stay safe on the farm. This year’s theme is “Leading the Way for Farm Safety.” Will be awarded for 1st and 2nd place winners in each division in Franklin County. The first place poster in each division will be sent to Kansas Farm Bureau in Manhattan for state competition with the other county winners. State level awards include 1st – 3rd places in each division: 1st place = $100, 2nd place = $75 and 3rd place = $50. In addition, the teacher of each of the top three winners in all divisions will receive a $50 gift card to use to promote agriculture in their classroom.

Livestock Family Nominations
This year at spring weigh-ins and taggings, 4-H livestock will be tagged under a family name. Previously, families had to indicate at weigh-in which 4-H member was paired with what animal. That information will no longer be needed until fair stall reservations are due to the office. When registering for stall reservations in June, families will need to be specific and indicate which 4-H member is showing which animal. In trying to make this a positive and smooth transition, please direct all questions to the Ottawa Extension Office.

2023 P-T Testing

Club and Group Tax Exempt Status Paperwork
Kansas 4-H is a 701(c)1 and has a tax exempt status. However, according to Kansas 4-H Policy, clubs and project groups should have their own number in order to receive those benefits. The website will allow clubs/groups to attain that status. Those who already have their own number are asked to make sure a colored copy is on file in the Extension Office. Those who need the form should click on “Submit New Request” and then “Register Now”. Please send a colored copy of the certificate to the Extension Office. It would also be helpful to have the contact information, password and security question answers the certificate was attained under in case the original or information is lost. Direct any questions to the Extension Office.

Disabilities Accommodations Request Form
The Americans with Disabilities Act (ADA) requires persons with disabilities be provided “reasonable” accommodations and prohibits discrimination against persons with disabilities. Accommodations are generally considered reasonable if they do not change the fundamental nature of the program or alter the essential criteria for participation. Accommodations meeting these standards should typically be provided. Reasonable accommodations are determined through an interactive process between the community member and local and State 4-H Offices. It is essential for the Accommodation Request Form to be filled out FIRST at the local level in collaboration with a local Extension Professional to launch a formal accommodations process. Because it can take time to plan for accommodations, KSRE requests this form be submitted no later than two weeks prior to the event/activity. Submitting a request on shorter notice may reduce and/or limit any ability to implement accommodations.

Do a Radio Spot!
The Frontier Extension District 4-H program has a short radio spot on KOFO 1220 AM/103.7 FM that airs every Wednesday at 6:40 a.m. All 4-H members are invited to share 4-H experiences (such as the fair and what was learned), talk about upcoming community service projects, club happenings, etc. Several 4-H members have done a radio spot and found it to be quite fun! To sign up, contact the Extension Office. FYI: There are no early morning recordings as the program is pre-recorded at a time that works for you!
