Welcome!
Frontier Extension District is excited to introduce Josie Thompson as the 4-H Program Manager housed in the Ottawa Office! She began her new position on October 3rd. Josie was a member of the Willing Workers 4-H Club in Osage County for 11 years. Recently, she was a summer intern in Osage County and an advisor to the Ambassadors, too. She is excited to be working in this position and is looking forward to meeting all the 4-H families in the Frontier District!

Financial Review Past Due
The end of the year financial report for all clubs and groups must be filled out and turned into the Extension Office. It was due November 1st. Clubs or groups who have not turned in the paperwork should do so ASAP! The Financial Review must meet the Extension Board’s approval. Only pages 4-5 of the Financial Review should be turned in. Do not send banking papers.

All returning 4-H members and volunteers should be re-enrolled by December 1st. Projects and/or clubs will need to be added when enrolling. Project years should auto-populate. Families are also encouraged to confirm the email address and phone numbers for the family and for each member or volunteer. Direct any questions or concerns to the Extension Office.

Holiday Heroes Information
“it is better to give than to receive” The KVC Kansas Holiday Heroes program is a way for individuals, families or groups to help brighten the holiday season for children in the foster care system. Purchased gifts or cash donations must be dropped off by December 10th at the United Way, 434 S. Main, in Ottawa. All patrons from the Frontier District area are served through this office, so a youth from a specific county may be requested. This is a great community service project! Direct all questions to Jackie at jharwig@kvc.org or call 913-444-2192.

Mass Emails Not Received or Going to Junk/Spam
The new 4-H year will be here soon. The 4-H Agent and Program Managers will communicate important information and reminders with families via 4HOnline in mass emails.

Frontier District families who are not receiving mass emails or they are showing up in the junk or spam folder are requested to follow these steps.

1). Ensure the email address is correct in both the family’s profile and member’s profile in the 4HOnline System.

2). Ensure the family has “unsubscribed” to 4-HOnline emails. If so, each member must re-subscribe to receive “Broadcasts” (emails) again.

3). “Whitelist” the address from which the broadcasts originate: no-reply@4honline.com. Whitelisting means taking manual steps to ensure that an email from a particular recipient is not blocked or does not go to the junk/spam folder. Simply Google “how to whitelist an email address,” and follow the instructions for the family’s specific email client (Outlook, Gmail, Yahoo, etc.).

PRRFs For Everyone!
This is so exciting! Because the generic records and the Project Record Report Form (PRRF) are so closely related in terms of what information is used, the generic records will no longer be used. All Frontier District 4-H members will use the PRRF at the end of the year next year which means all books will be eligible for county awards! Watch for trainings!

ZBooks
Record keeping and project reporting are valuable skills taught to Kansas 4-H members. They are encouraged to keep a permanent record of all 4-H and non-4-H experiences and to summarize project experiences on the Kansas 4-H Project Record Report Form for end of the year project recognition. Youth may now choose to use either record keeping option: a.) the fillable PDF Project Record Report Form or b.) the new online ZBooks software. The Permanent Record is included in ZBooks. Prior activities need not be transferred into the online new version. Just start using it this year and attach it to the previous years’ documents. This new option is very exciting! What a great way to stay on top of your expenses while you are on the go!

Do I Really Need to Read the Newsletter?
The short answer is YES! ALL Frontier District 4-H families should read the newsletter! It is used to communicate important information! The article titles indicate the content and the red font is a link that will take the reader to the information. Previous newsletters are available, too.

Care to Share Form Available
Positive things are happening in the Frontier Extension District’s 4-H program! The Care to Share form is designed to help recognize individuals, committees, etc. Completed forms should be sent to the Extension Office. The Office will then send a congratulatory card to the appropriate person(s). Forms are accepted year round.

Kansas Clover Classroom
The Kansas Clover Classroom is an amazing 4-H project supplemental guide being offered to 4-H families. Taking photos, designing a cabinet, building rockets, collecting insects, tending to livestock…those activities are part of a much bigger, project-based learning process to prepare youth for the future. Which challenge will you take on?

Raffle Policy and Guidelines
It is the time of year when clubs begin discussing fundraising options. Nonprofit and education entities may conduct raffles. However, a raffle policy and guidelines must be followed. Any Extension unit-affiliated group (e.g. 4-H club, 4-H project group, etc.) wanting to conduct a raffle must first fill out and submit an application. The Extension District Board meets monthly (beginning of the month) and all applications must be approved by them prior to conducting the raffle. A financial report must then be presented to the Board upon completion of the raffle. Completed applications for Board approval may be sent to any Frontier District Office.

Electronic Treasurer’s Book Available
An electronic version of the Treasurer’s Book is available for any club or group to use. Two Excel versions are available: 1997-2003 or a 2010 version. Be sure all dates are current.

4-H Policy
Frontier District 4-H families are encouraged to review the State 4-H Policy. Updates include the addition of K-State’s updated child protection policy. The current KSRE and 4-H practices cover the new requirements, and are now included as a reference in the policy. Direct all questions the Office.
**Explore Your Spark! Through 4-H Projects**

**Helpful Resources**

It’s called “4-H at Home”, but anyone can use this wonderful resource! It is full of project ideas to explore, learn, practice or experience. The content is appropriate for beginning, intermediate and advanced project members. Also included are resources and events that might be available, including curriculum, record-keeping and project exhibit ideas.

Financial Review Due
The end of the year financial review for all clubs and project groups must be filled out and turned into the Extension Office by November 1st. Clubs or groups needing tax numbers, etc. should contact Juanita in the Ottawa Office. Remember, signers on the account or those who have possession of the financial records (or anyone related to them) CANNOT review the records and/or sign the audit form. Finally, the only part of the above link that should come to the Extension Office is pages 4-5.
Club and Group Tax Exempt Status Paperwork

Kansas 4-H is a 701(c)1 and has a tax exempt status. However, according to Kansas 4-H Policy, clubs and project groups should have their own number in order to receive those benefits. The website will allow clubs/groups to attain that status. Those who already have their own number are asked to make sure a colored copy is on file in the Extension Office. Those who need the form should click on “Submit New Request” and then “Register Now”. Please send a colored copy of the certificate to the Extension Office. It would also be helpful to have the contact information, password and security question answers the certificate was attained under in case the original or information is lost. Direct any questions to the Extension Office.

Disabilities Accommodations Request Form

The Americans with Disabilities Act (ADA) requires persons with disabilities be provided “reasonable” accommodations and prohibits discrimination against persons with disabilities. Accommodations are generally considered reasonable if they do not change the fundamental nature of the program or alter the essential criteria for participation. Accommodations meeting these standards should typically be provided. Reasonable accommodations are determined through an interactive process between the community member and local and State 4-H Offices. It is essential for the Accommodation Request Form to be fill out FIRST at the local level in collaboration with a local Extension Professional to launch a formal accommodations process. Because it can take time to plan for accommodations, KSRE requests this form be submitted no later than two weeks prior to the event/activity. Submitting a request on shorter notice may reduce and/or limit any ability to implement accommodations.

Do a Radio Spot!
The Frontier Extension District 4-H program has a short radio spot on KOFO 1220 AM/103.7 FM that airs every Wednesday at 6:40 a.m. All 4-H members are invited to share 4-H experiences (such as the fair and what was learned), talk about upcoming community service projects, club happenings, etc. Several 4-H members have done a radio spot and found it to be quite fun! To sign up, contact the Extension Office. FYI: There are no early morning recordings as the program is recorded at a time that works for you!
