Great Things Happening in Frontier 4-H
Amy Livingston, Rambling Ranchers 4-H Club leader, received a Care to Share Award from Frontier Extension District 4-H Youth Development Agent Jessica Flory. Amy was nominated by a club parent who recognized and appreciated Amy’s guidance, especially in the recordkeeping workshop that she organized for club families! Amy has been a club leader and volunteer for 9 years! We all very grateful for the work she has done. If you see her around, give her a big congrats, and thank her for her hard work!

Happy New 4-H Year!
The new 4-H year will begin October 1st, so it is time for new and returning 4-H members and volunteers to enroll. The system will not allow the process to be started before that date. Families are also encouraged to confirm the email address and phone numbers for the family and for each member or volunteer.

National 4-H Week will be October 1-7, 2023! Celebrate all things 4-H and help others understand what 4-H entails. Clubs and project groups are encouraged to promote 4-H at school, at church, to local civic groups, etc. through demonstrations, talks, posters, skits or other fun events. Youth can even do a radio program (see back page)!

**GENERAL NEWS**

**Care to Share Form Available**
Positive things are happening in the Frontier Extension District’s 4-H program! The Care to Share form is designed to help recognize individuals, committees, etc. Completed forms should be sent to the Extension Office. The Office will then send a congratulatory card to the appropriate person(s). Forms are accepted year round.

**4-H Policy**
Frontier District 4-H families are encouraged to review the State 4-H Policy. Updates include the addition of K-State’s updated child protection policy. The current KSRE and 4-H practices cover the new requirements and are now included as a reference in the policy. Direct all questions the Office.

**Club Boxes**
Each 4-H club is asked to designate one or two people to come in and pick up the information from the club box in the Extension Office. Plan to check the box on a regular basis.

**Do I Really Need to Read the Newsletter?**
The short answer is YES! ALL Frontier District 4-H families should read the newsletter! It is used to communicate important information! The article titles indicate the content and the red font is a link that will take the reader to the information. Previous newsletters are available, too.

**Enrollment**
The new 4-H year will begin October 1st. The system will not allow enrollment/re-enrollment before that date. The cost will remain $15. Cloverbuds and volunteers will not be charged. Returning 4-H members and volunteers should be re-enrolled by December 1st. When enrolling, projects and clubs will not pre-populate. Returning members will need to select the club and all the desired projects. If selecting a project in which the youth was enrolled last year, the years in the project will increment correctly based on what was on the enrollment the year before. Check these when enrolling! Families are also encouraged to confirm the email address for the family and for each member/volunteer.

**Helpful Resources**
It’s called “4-H at Home”, but anyone can use this wonderful resource! It is full of project ideas to explore, learn, practice or experience. The content is appropriate for beginning, intermediate and advanced project members. Also included are resources and events that might be available, including curriculum, record-keeping and project exhibit ideas.

**Raffle Policy and Guidelines**
It is the time of year when clubs begin discussing fundraising options. Nonprofit and education entities may conduct raffles. However, a raffle policy and guidelines must be followed. Any extension unit-affiliated group (e.g. 4-H club, 4-H project group, etc.) wanting to conduct a raffle must first fill out and submit an application. The Extension District Board meets monthly (beginning of the month) and all applications must be approved by them prior to conducting the raffle. A financial report must then be presented to the Board upon completion of the raffle. Completed applications for Board approval may be sent to any Frontier District Office.

**PROJECT NEWS**

**Electronic Treasurer’s Book Available**
An electronic version of the Treasurer’s Book is available for any club or group to use.

**Mass Emails Not Received or Going to Junk/Spam**
The 4-H Agent and Program Managers will communicate important information and reminders with families via 4HOnline in mass emails. Frontier District families who are not receiving mass emails or they are showing up in the junk or spam folder are requested to follow these steps. 1) Ensure the email address is correct in both the family’s profile and member’s profile in the 4HOnline System. 2) Ensure the family has “unsubscribed” to 4-HOnline emails. If so, each member must re-subscribed to receive “Broadcasts” (emails) again. 3) “Whitelist” the address from which the broadcasts originate: no-reply@4honline.com. Whitelisting means taking manual steps to ensure that an email from a particular recipient is not blocked or does not go to the junk/spam folder. Simply Google “how to whitelist an email address,” and follow the instructions for the family’s specific email client (Outlook, Gmail, Yahoo, etc.).

**Setting Project Goals**
After choosing projects, it is important to plan what can be learned and accomplished. What new skills can be gained? Who is going to help along the way? Setting measurable goals will help guide youth through positive 4-H project learning experiences. This resource can help members get started!

**Explore Your Spark!**
An “Explore Your Spark!” fact sheet is available for many of the 4-H project areas. The sheet provides ideas of what can be done or learned as the youth grows in the project. Other resources for each project are also available. Check it out!

**Kansas Clover Classroom**
The Kansas Clover Classroom is an amazing 4-H project supplemental guide available to 4-H families. Taking photos, designing a cabinet, building rockets, collecting insects, tending livestock…those activities are part of a much bigger, project-based learning process to prepare youth for the future. Which challenge will you take on?

**World Dairy Expo**
World Dairy Expo: Oct. 1st-6th, in Madison, Wis.

**Save the Date! Kansas 4-H Dog Conference**

Club and Group Tax Exempt Status Paperwork
Kansas 4-H is a 701(c)1 and has a tax exempt status. However, according to Kansas 4-H Policy, clubs and project groups should have their own number in order to receive those benefits. The website will allow clubs/groups to attain that status. Those who already have their own number are asked to make sure a colored copy is on file in the Extension Office. Those who need the form should click on “Submit New Request” and then “Register Now”. Please send a colored copy of the certificate to the Extension Office. It would also be helpful to have the contact information, password and security question answers the certificate was attained under in case the original or information is lost. Direct any questions to the Extension Office.

Disabilities Accommodations Request Form
The Americans with Disabilities Act (ADA) requires persons with disabilities be provided “reasonable” accommodations and prohibits discrimination against persons with disabilities. Accommodations are generally considered reasonable if they do not change the fundamental nature of the program or alter the essential criteria for participation. Accommodations meeting these standards should typically be provided. Reasonable accommodations are determined through an interactive process between the community member and local and State 4-H Offices. It is essential for the Accommodation Request Form to be fill out FIRST at the local level in collaboration with a local Extension Professional to launch a formal accommodations process. Because it can take time to plan for accommodations, KSRE requests this form be submitted no later than two weeks prior to the event/activity. Submitting a request on shorter notice may reduce and/or limit any ability to implement accommodations.

Do a Radio Spot!
The Frontier Extension District 4-H program has a short radio spot on KOFO 1220 AM/103.7 FM that airs every Wednesday at 6:40 a.m. All 4-H members are invited to share 4-H experiences (such as the fair and what was learned), talk about upcoming community service projects, club happenings, etc. Several 4-H members have done a radio spot and found it to be quite fun! To sign up, contact the Extension Office. FYI: There are no early morning recordings as the program is pre-recorded at a time that works for you!
