Congratulations to the Gillespie Family from Anderson County!

Karen & Jeff Gillespie and their children, Tyler, Hailey, and Braden are the winners of the #StrongFamilies Challenge - Week 4.

"Our family tries to have fun in our everyday life. As parents, we hug our kids and tell them we love them. They are at that age that they don’t like it very much, but we’ll still do it. We do so many things as a family, go out to eat, show livestock, anything 4-H and FFA. Our kids grew up in a less than 1,000 square feet home and are pretty close until a few years ago when we added an addition. We do laugh and have fun. We do a lot of farm work together. Most recently we went to Louisiana on a family vacation. We had a great time together spending a lot of time talking."
