What is *Fresh Conversations*?

Fresh Conversations provides a new, or fresh, newsletter each month. Each issue focuses on a current health topic and offers practical tips and sensible solutions to everyday problems that get in the way of doing what most people want to do: eat well and live well!

The newsletter provides up-to-date information to you from nutrition and health research. You will also find low-cost, healthy recipes, easy ways to be active at home, puzzles and games.

Fresh Conversations is a free opportunity to connect with other older adults for a friendly discussion focused on nutrition and physical activity education. Join us right from the comfort of your home for a fun conversation that will help you learn how to maintain your health and independence during one of these sessions this month.

We are offering *Fresh Conversations* through in-person meetings or computer meetings (with or without a camera). Contact us today to find a *Fresh Conversations* meeting in your area!
