Dear Dr. ________________________________:

Your patient, ________________________________, is interested in participating in the Stay Strong, Stay Healthy Program. This moderate-intensity, progressive exercise program includes strength and balance training and is designed to improve muscle strength, dynamic balance and flexibility.

This is an evidence-based exercise program designed especially for midlife and older adults. It was developed and researched by faculty at University of Missouri Extension. Frontier Extension District Staff are implementing the program in Garnett, Kansas. Your patient will be required to provide informed consent prior to participation in this exercise program and is informed of the associated risks.

Please complete and sign the enclosed Physician Authorization Form. If you have any questions or would like to discuss your patient’s participation in the program in further detail, please call me at 785.448.6826.

Sincerely,

Chelsea Richmond, Extension Agent
