March 17 – May 11

### Time for Walk Kansas!

Gather your teammates – it's time for Walk Kansas! K-State Research and Extension (KSRE) has been offering this health initiative since 2001. Online registration is available February 19 through March 15, and information about Walk Kansas and healthful living is available at [www.walkkansas.org](http://www.walkkansas.org).

Here is a step-by-step guide that covers options for registering your team followed by general program information.

### Ready to go!

#### Reporting/logging online:

Once your team is “ready” (everyone has added user information, consented and all fees are paid) you will see a screen like this when you log in. New this year: The “team chat” features have been expanded so you will see when someone posts in the chat box, and you can log for team members from your Dashboard. (See these features below the purple bar.) Also, it is super easy to upload a photo/image to your team chat. Look for image icon in the chat box.

You will record your personal exercise minutes, fruits/vegetable here and you can also view how others on your team are doing by clicking on “My Team.” Check for “Events” in your area and “Resources” located on the top bar.

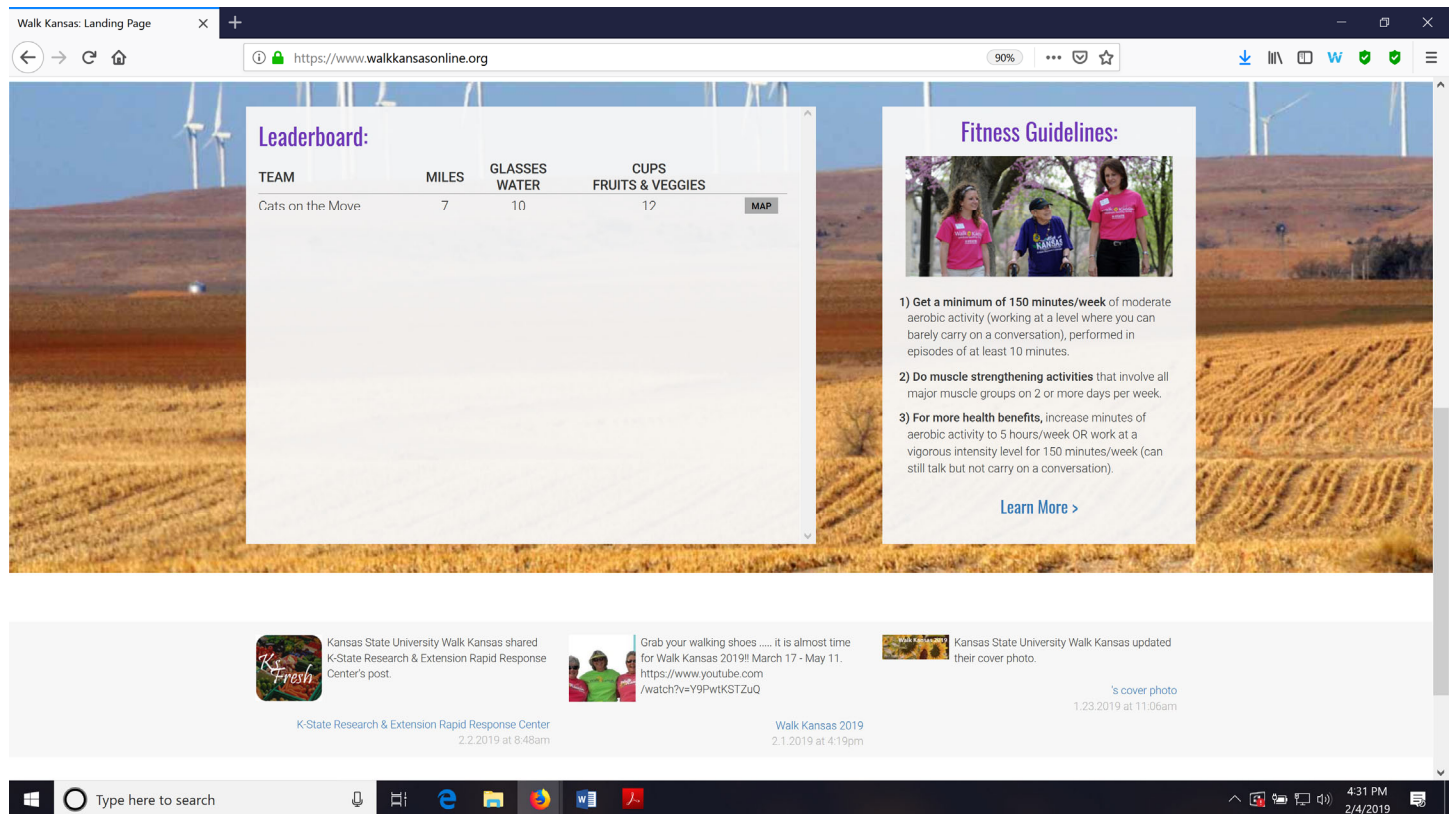

The screenshot shows the Walk Kansas online dashboard. At the top, the navigation bar includes links for Minutes vs. Miles, Find Local Office, Log out, My Account, and social media icons. The main dashboard is divided into several sections:

- Welcome, Willie:** Displays the user's name, county/group (Kansas County), and team (Cats on the Move). It also shows the last login date for the user and links to log for other users.
- Events:** A list of recent events, including team chat posts and activity logs.
- Resources:** A section for team chat and activity logs.
- Shop:** A section for team chat and activity logs.
- New Program Sign Up:** A section for team chat and activity logs.
- Your Challenge(s):** A section showing the current challenge (8 Wonders) and a progress bar.
- Progress Bar:** A bar showing the user's progress towards the challenge, with a lock icon indicating they have unlocked 1 of 29 points of interest.
- Team Progress:** A section showing team progress for various activities: Miles Walked (3), Team Miles Walked (7), Day Logged (1), Glasses Logged (4), and Cups Logged (6). Each activity has a corresponding icon and a button to log or chat.

**Make sure you and your teammates check your progress on the map** – click “See Your Map” on the large purple bar. As your team moves along the trail you will unlock points of interest. Some will have photos and all have a description of the town/community, area of interest, or Wonders of Kansas. You can go back and click on any dot you have passed through to read the information. Enjoy!! This year, captains will also have the option to switch your team to a different trail/challenge if you reach the end of your trail before Walk Kansas is over. Captains will receive a prompt and are the

only ones that can move the team to another trail. The miles your team was gone will continue with you to the new trail OR you can select another option for your team to keep going.

Scroll down a bit further and you will see a “Leaderboard” at the bottom. You can view how other teams in the **Frontier District** are doing and at the very bottom you will see recent posts from “Kansas State University Walk Kansas” on Facebook. Be sure to *like* this page to see more.

The screenshot shows the 'Walk Kansas: Landing Page' in a web browser. The page features a large background image of a field with wind turbines. A 'Leaderboard' table is displayed, showing the following data:

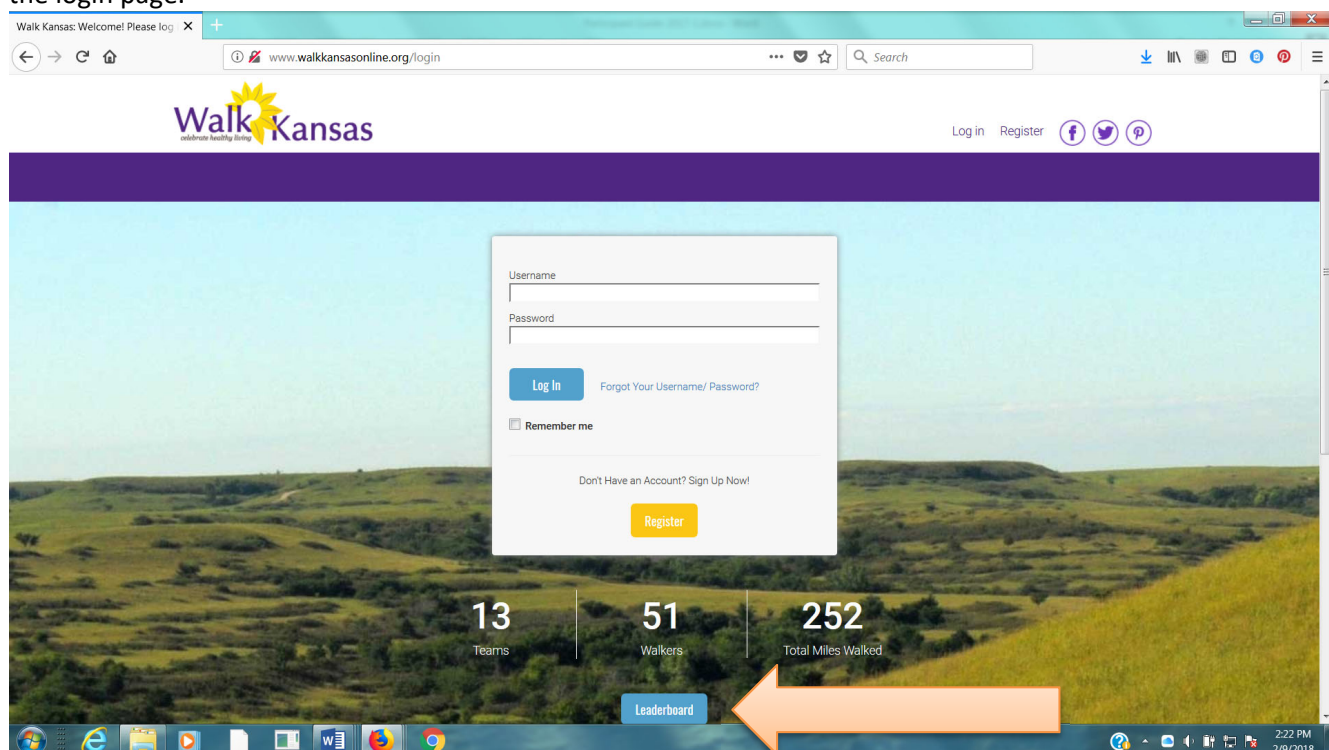

TEAM	MILES	GLASSES WATER	CUPS FRUITS & VEGGIES
Cats on the Move	7	10	12

Below the table is a 'MAP' button. To the right, 'Fitness Guidelines' are listed:

- 1) Get a minimum of 150 minutes/week of moderate aerobic activity (working at a level where you can barely carry on a conversation), performed in episodes of at least 10 minutes.
- 2) Do muscle strengthening activities that involve all major muscle groups on 2 or more days per week.
- 3) For more health benefits, increase minutes of aerobic activity to 5 hours/week OR work at a vigorous intensity level for 150 minutes/week (can still talk but not carry on a conversation).

A 'Learn More >' link is provided. At the bottom, there are social media posts from 'K-State Research & Extension Rapid Response Center' and 'Walk Kansas 2019'.

You can also view how teams in any county/district across the state are doing through the blue “Leaderboard” button on the login page.

The screenshot shows the 'Walk Kansas: Welcome! Please log in' page. The page features a large background image of a field with wind turbines. A login form is displayed, with fields for 'Username' and 'Password', a 'Log In' button, and a 'Forgot Your Username/ Password?' link. Below the form is a 'Remember me' checkbox and a 'Don't Have an Account? Sign Up Now!' link. A 'Register' button is also present. At the bottom, there are statistics: 13 Teams, 51 Walkers, and 252 Total Miles Walked. A blue 'Leaderboard' button is located at the bottom center, with a large orange arrow pointing to it.

**Reporting if logging by paper:**

If teammates log on paper and report to you weekly, add totals once a week for that person by clicking on their name just below the purple bar on the left side. If you want to report only one number (total minutes of activity) for your entire team, report it as minutes for you – the captain – only.

**Reminders for captains:**

- ▶ Communicate with your teammates each week (email, chat in Walk KS system, phone call or in person.) All Walk Kansas participants will receive a message on Wednesday of each week that includes a short report of how their team is doing. Everyone will also receive a weekly newsletter.
- ▶ Make sure teammates are receiving a weekly Walk Kansas newsletter. If not, report this to **Chelsea Richmond either by email at [crichmon@ksu.edu](mailto:crichmon@ksu.edu) or by calling 785.448.6826.** (Newsletters will also be posted in the “Resources” section, which can be found on the top dark purple bar on the dashboard.)
- ▶ Stay informed of events and activities offered in your community and participate when you can!
- ▶ Plan a fun activity(s) your team can do together during the 8 weeks of Walk Kansas.
- ▶ Encourage teammates to enter the photo contest, complete the Walk Kansas BINGO card, or go on a Walk Kansas Scavenger Hunt in your local area – that includes you!

**How to order t-shirts and more:**

It is easy to order t-shirts and other apparel. Sign in to your account and click the “Shop” button on the purple bar at the top of the screen. This will take you to the online store for the **Frontier Extension District**. Just shop from here and it will be added to your account. Other team members can do the same once they have created a username/password.

Walk Kansas apparel items (whether purchased in the Extension Office or online through the Walk Kansas shop) must be placed on or before each of the following order dates: **March 4<sup>th</sup>, March 18<sup>th</sup>, or April 1<sup>st</sup>**. All apparel items will be delivered to your local Extension Office (Garnett, Lyndon, or Ottawa). You will receive an email notification when items are available to be picked up.

**Captains also participate:**

Not only are you the captain of your team, you are a Walk Kansas participant! Make sure you read through the participant materials, especially the **Activity Guide**. There is information here about pre/post fitness tests that your team may want to do and this is an activity you could do together. These are optional and can be very helpful and motivating. Make sure you also review what counts as Walk Kansas minutes as there are a few changes from previous years.

One last thing ....While Walk Kansas is sometimes viewed as a (friendly) competition, reaching the goal your team has selected is the most important. We want the physical activity and healthy eating habits you are your teammates practice, during the program, to continue. Keep it realistic, keep it fun and don't worry about what others are doing or reporting. Be honest, be supportive to others and have a great Walk Kansas!!
