

WALK KANSAS

March 22 - May 16, 2026

Get ready to walk and roll!!

It's time for another Walk Kansas! We are so glad you have joined us this year. Our goal is to nudge and motivate you to move a little bit more.

Be a team of one or more:

You can participate in whatever way works best for you. Being part of a team is fun, and can be even more motivating, but it doesn't work for everyone. We do have a **NEW** online system this year! If you have joined us before, it will look slightly different – easier to navigate, we hope.

Like previous years, each team will select a trail based on goals they want to work toward:

8 Wonders of Kansas (435 miles)

US Route 56 (640 miles): 42 minutes/day, to reach this goal.

Cross Country (764 miles): 50 minutes/day.

Little Balkans to Nicodemus (1200 miles): 80 minutes/day.

During Walk Kansas, you will enter minutes of moderate/vigorous activity or total steps/day (using a fitness tracker.) The system automatically converts to miles (15 minutes = 1 mile; 2,000 steps = 1 mile.)

Read the Activity Guide, page 4, for more detailed information on reporting both moderate and vigorous activity.

Ready to take the first step?

- If you have a team, wait for your captain to start team registration online. You will receive a message by email (check clutter/spam folders also) saying "someone has registered you for Walk Kansas." It will instruct you to go to www.walkkansasonline.org and click the Forgot your Password? link.

Your captain will be responsible for paying fees for the entire team so make sure you reimburse your captain for your \$10 reg fee.

- If you don't have a team and would like to join one, register as an "individual," and follow the prompts to enter a captain and/or team name. You can also be a team of one and go solo.

If you reach a point, during the process, where you don't have all of the information you need, click CANCEL and start over later.

Details about webinars will be highlighted in WK newsletters and posted in the "Events" section of your portal. These will be recorded so you can view them when it is convenient, **PLUS** you'll have access to webinars from previous years!! Webinars begin at 12:10 pm.

Newsletters: You will receive a Walk Kansas newsletter (email) each week with tips for moving more, stretching and strengthening, eating better, staying safe while you exercise, and a whole lot more!

Track fruits/veggies and water: The weekly newsletter will include a tasty and healthful recipe. We promote eating lots of fruits/veggies during Walk Kansas, and you have the option to track amounts of these you eat each day. There is also an option to record how much water you drink. Keeping a log is the best way to know if you really are getting enough of these fiber-full and nutrient dense foods.
