The driving and written test will be given off-site at a local producer's farm. Youth will be transported by the instructors to the farm and back to the Pomona Community Center.

**Frontier Extension District Offices: Lyndon 785.828.4438, Ottawa
785.229.3520, Garnett 785.448.6826**

It is the policy of Kansas State University Agricultural Experiment Station and Cooperative Extension Service that all persons shall have opportunity and access to its educational programs, services, activities, and materials without regard to race, color, religion, national origin, sex, age, or disability. Kansas State University is an equal opportunity organization.

Hazardous Occupation Training

This school is designed to assist 14 and 15-year-old's in gaining certification for farm employment. Youth that wish to drive a tractor or use a lawnmower bigger than 20 hp, require this training if working for someone other than their parents. Youth age 13 are welcome to take the training. However, they cannot become certified until they reach the age of 14.

Participants MUST be able to ATTEND the day-long session.

The driving and written test will be given off-site at a local producer's farm. Youth will be transported by the instructors to the farm and back to the Pomona Community Center.

Pre-Registration is required by May 28th.

**This program is co-sponsored by Frontier Extension District and Farm Bureau.
Snacks and lunch will be provided.**

To register fill out the form and mail it to:
